Cheaha Trail Riders Turn Off-Road Fun Into Charity Support

The Cheaha Trail Riders, an Alabama OHV association dedicated to promoting the use of ATVs and off-highway motorcycles, held a successful Make-A-Wish Foundation Ride late last year to raise money for the charity.

The group has been holding the event for six years now and receives sponsorship from many local businesses. The ride was held at the Kentucky Off-Highway Vehicle Park in the Talladega National Forest.

Besides having a great ride, participants received prizes that were donated by area businesses.

The event raised more than \$1,000 for the foundation. The Cheaha Trail Riders thanked John Sweeney of Alabama/Georgia Make-A-Wish Foundation for attending the event, and the following for donating prizes: Sylacauga Marine & ATV, Talladega Cycle Sales, Piedmont Outdoor, Bama Power Sports, ATVA, Polaris, Yamaha, Kawasaki, and Clay County Chamber of Commerce.
